

Governors' Report to Parents 2019-2020

Ysgol Brynhafren School

Dear Parents,

The end of last year set us all challenges that were unprecedented and it is a credit to the pupils, staff and parents that our School tackled these with fortitude. Everyone at Brynhafren has demonstrated resilience, no matter their age, and it is this spirit that will remain with us all well, into the future.

The pandemic will be with us for months to come and the effect of the other challenges faced by Brynhafren will continue to dominate the Governing Body's priorities. However, with a new Executive Headteacher and support from the Local Authority I believe that preparing the School for the transformation of education in Powys and the introduction of the New Curriculum for Wales will be yet another way in which we can demonstrate the positive ethos and attitude of pupils, staff and parents.

There is much to do and some challenging priorities for all; therefore, I would commend to every parent the opportunity to become involved in the future of Brynhafren by considering joining the Governing Body. Please feel free to contact me to discuss any matter and I hope to be able to meet some of you at the school gate, once allowed.

Yours sincerely,

Graeme Hunter.

Chairman

Brynhafren Governing Body

The Governing Body did not hold a parents' meeting in the academic year 2019/20, pursuant to section 94 of the School Standards and Organisation (Wales) Act 2013.

Curriculum

All children cover Programmes of Study identified within the National Curriculum or Foundation Phase. Documents are available in the school should any parent wish to see them. The school's aim is to provide: - a broad and balanced curriculum catering for each child's physical, intellectual, emotional, social and moral well-being. In addition to the subjects, numeracy, literacy and digital competency skills are taught across the curriculum.

The school has begun to prepare for the new Wales curriculum which will be launched in 2022 based around the Four Purposes.

Promoting Healthy Living

The school follows the Welsh Government guidelines for Appetite for Life, which sets out the strategic direction and actions required to improve the nutritional standards of food and drink served in school.

Additional Learning Needs

During their school life, a child may have difficulty in a particular area of learning, when identified as requiring extra provision; their name is added to the Additional Learning Needs (ALN) Register with your approval. Depending upon need children will be registered as School Action (SA) or School Action plus (SA+).

All children on the register will have a provision map detailing the extra support that they are entitled to and children who are at school action plus will have an individual education plan (IEP). The Special Needs Co-ordinator (SENCO) is Mrs Blackmore and she meets with parents on a termly basis to discuss the IEP.

Provision for More Able and Talented (MAT) pupils is provided through careful planning by the class teacher.

The governor with responsibility for ALN is Karen Pountney.

Pupils with Disabilities

The school welcomes all children regardless of ability. Where pupils with disabilities need extra provision or adaptations, the school will work with the Local authority to ensure that these needs are catered for.

ESTYN Inspection

The last Estyn inspection took place in May 2016. Following this, a post inspection an action plan developed.

The School Development Plan

The school continued to review and to implement specific school strategies as outlined in the School Development Plan (SDP).

Focus areas for improvement this 2019-20 have been:

- Priority 1 Improve standards of the more able pupils so that they achieve the higher than expected outcomes in mathematics
- Priority 2 Improve the use of incidental Welsh across the school so that the school is accredited with the Cymraeg Campus Bronze award.
- Priority 3 Plan and implement a management of change for Curriculum for Wales: curriculum for life.
- Priority 4: Strengthen leadership at all levels

Target Setting

The school does not stand still; we are continually working to improve. By setting targets we can measure our performance and improvement.

The targets set are challenging but achievable, individual pupils have targets to aim for.

Cohorts of pupils also have targets.

Teachers set these targets because they work with your children on a daily basis; they know their strengths and areas that need to work on in order to reach their potential.

Assessment

On- entry to school in Reception pupils are assessed within their first six weeks of full time education.

At the end of years 2 and 6 teacher assessments take place and you will be informed of the Outcome or Level at which your child is working.

The core subjects assessed are:

- English
- Mathematics
- Personal and Social Development at FP
- Science at KS2

In addition to this the school carries out assessments with all children following an annual programme.

All pupils, from year 2 up, take part in National tests, in reading, procedural maths and mathematical reasoning every May. Results of these tests are provided to parents alongside their child's school report.

Due to COVID19 all national tests and assessments at the end of key stage were suspended, assessments within class continued as part of the on-going teaching and learning process

Music and Creative Arts

- Christmas Concert – Christmas Around the World in December
- Christmas Carol Service with parents and community at St Michael's Church Alberbury
- Pupils took part in the Llanfyllin Schools competition to design a logo for the new all-through Llanfyllin School – over 350 entries, Maia Rees Yr5 from Brynhafren won the competition. Maia received £200 and worked with a graphic designer to enhance the design. The new logo will be used as of September 2020.
- Mr S Leese and Mr N Evans visit the school to teach drums, piano and ukulele.

Sport

The school works closely with Ryan Davis, Welsh Sports Development Officer. The pupils have taken part in tag rugby tournaments, a swimming gala and athletics decathlon day. The school is a member of WASPS sports and would have taken part in the cross country this year though due to Covid restrictions, these were postponed.

School Clubs

During the past academic year, there have been the following clubs:

- Eco-warriors
- Film Club
- Construction Club
- Games Club
- Sports Club
- Zumba Club

Staff Training

Staff have attended training on:

- Tric a Chlic Course in the Foundation Phase to embed Welsh Phonics teaching and learning.
- KS2 staff member attended an ERW Engagement Event on the New Curriculum.
- Staff member received training on Safer Recruitment within the workplace.
- Child Protection training.
- Digital Competency Training on coding – all staff.

Working with Others

- The school works very closely with Mr R Rudge (Head of Y7) at Llanfyllin High School, our main feeder secondary school
- Also works with Welshpool School
- Moderation of all core subjects normally takes place in April though due to Covid restrictions and lockdown, this did not take place.
- We received support from Mrs Ellis, with regards to management and development of the school.
- Two teachers of the school engaged in an AOLE project with the schools in the Llanfyllin Cluster – completing work on Mathematics/Numeracy and Health and Well-being.
- 5 KS2 pupils took part in the Oswestry School Mathletes Challenge for More Able and Talented pupils – they came 2nd in the competition.
- Two MAT pupils from Yr6 attended Llanfyllin High School and participated in their Literacy, Numeracy, ICT and Science tasks.
- The school was making excellent progress towards the Bronze Certificate for the Siarter Iaith, unfortunately our certification date was in March 2020 – due to lockdown, this was postponed.

Links with Business and Community

- Severn Trent assembly on saving water.
- Countryfile Filming – KS2 pupils participated in bird box making at Lake Vyrnwy for the BBC programme Countryfile.

- The TAF team and the school work closely together to support families.
- There are close links with the local Community Police and fire service.
- Non uniform charity fund raisers including Children in Need, Young Carers, Cancer research, Sport Relief, Macmillan.
- Foundation Phase trip to Blue Planet, Chester.
- KS2 pupils attend swimming lessons at Flash Leisure Centre.

Friends of the school

The Friends of Brynhafren support the school by raising money through organised events and opportunities. The FOB is made up of volunteer parents of the school that give their time and effort to put on a varied menu of events. Bingo nights, discos, breakfast with Santa and raffles are some of the events that have taken place.

Secondary School links

The school maintains a strong link with Llanfyllin High school. Due to Covid restrictions, the pupils' transition days were reduced though still managed a morning to see the school, meet their form tutor and talk with Mr Rudge (Head of Year 7). Mr Rudge had visited the school before Christmas to meet the pupils and talk over any concerns they may have had – this was a great benefit to the pupils. Mrs Evans from Welshpool High school visited the school to aid transition of a pupil to Welshpool High School. One of our pupils is attending Mary Webb in Sept 2020 and a lot of communication between us and them took place. Each High School maintained good lines of communication during the Covid lockdown, giving all the pupils guidance and reassurance of support during an extremely unprecedented and difficult time for all. Work packs, video links, video tours and lots of support emails were continually sent and received by the pupils in order to maintain the ease of transition.

Attendance Data

Parents, schools and LA's share legal responsibilities in respect of school attendance.
